Points	Action
<ul style="list-style-type: none"> Students would like the Library to open earlier. More computers available in the Library. Students should only be using the computers for home work not to play games on the Internet. Why do the students have to line up to get into the Library - it feels like a pointless exercise. Laptops should be available every day - not just on Thursdays. Girls would like to be able to wear a summer dresses in the summer. Students would like to be able to nominate a Head Girl & Head Boy for each tutor group or year group based on the Elmgreen Way. Girls and boys reported that the older boys/girls are hanging round in the toilets and making the younger students feel intimidated. Boys' toilets are very dirty. 	<p>PCA to discuss with MMA.</p> <p>PCA to discuss with RFR/MMA.</p> <p>PCA to bring to SLT.</p> <p>PCA to bring to CLT.</p> <p>PCA to discuss at CLT.</p> <p>PCA to discuss with SLT & Mr Kirby</p> <p>All reps to attend this meeting</p>
