Singing our Hearts out at The Elmgreen School

Last week saw the exciting launch of two new school choirs: *The Elmgreen School Vocal Group* and *School Choir*. All Staff and students from all year groups are warmly invited to come along every Monday lunchtime to the *TES Vocal Group* where you will sing contemporary songs, and every Friday lunchtime to the *School Choir* where you will get the opportunity to sing traditional music in 2 and 3-part harmony. The *Gospel Choir* also rehearses every Thursday 3.30-4.30pm. We hope to make our first public performances at the annual Fusion event at the end of March.

Dates for your Diary

- Saturday 4 February**
10.00am – 12.30pm
ICT for Parents
- Tuesday 6 February**
PPF Skills Bureau

FREE ICT COURSE FOR PARENTS AND CARERS Saturday 4 February 10.00-12.30pm

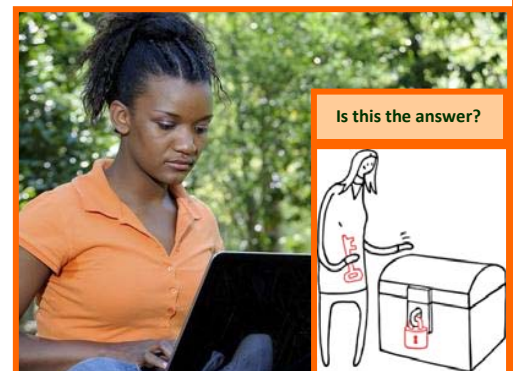

How can we keep them safe online?

How can we help our young people stay safe online?

Do we just put the laptop and the phone in a deep chest and throw away the key? - Or is there a better way?

Get practical tips on monitoring Facebook and other social network sites, find out the dangers of chat rooms and get support in monitoring computer use/mobile phones in the home

BOOK YOUR FREE PLACE by calling 0208 766 5020 or email admin@the-elmgreen-school.org.uk There will be a session leader from the Family Learning Centre in Lambeth who has led training like this for a wide range of parents and carers - including those with little experience of computers. There will also be a staff member from the school on hand to answer any questions you may have. Refreshments will also be provided during the sessions.

Monday 30 January to Friday 3 February

Celtic Darn Spinners

This year National Storytelling Week celebrates Celtic Myths and Legends. Join us in the library each lunch time for storytelling sessions

Normal library service will be available during morning break and after school

National Storytelling Week

**Maths has changed so much?
How can I help with Maths homework**

**Come to the workshop on
Saturday 11 February
10.00-12.30pm**

You'll learn how to use the My Maths Website and the school's own website so you can support your child.
School staff will be there to help and there'll also be tutor from Lambeth's Family Learning Centre to guide you, even if you're new to computers.
Light Refreshments will be available

**Contact us ASAP to book your free place on 0208 766 5020
or email admin@the-elmgreen-school.org.uk
for the attention of Miss Nolan.**

**Parents and school working together to
help every child exceed expectations**
