

## The New Key Stage 3 Progress Report

**Target Minimum Percentages** are the grade a student should achieve for every assessment across Key Stage 3. They are set using prior data and the Future Target Minimum Grade for GCSE in each subject.

The **Most Recent Assessment** column shows the percentage score achieved in their most recent assessment.

From Term 2, **Average Assessment to Date** will show the average of all assessments in each subject across the year so far, so that you can see how well they are doing overall as well as how they achieved in their most recent assessment.

**Classwork and Homework BRAG** is a measure of the quality of a student's at school and at home in relation to their Target Minimum Percentage.

Blue = On track to achieve above Target Minimum Percentage;  
Green = On track to achieve Target Minimum Percentage;

Amber = Not yet at the level of Target Minimum Percentage;

Red = Consistently and / or Significantly below quality of Target Minimum Percentage

**Report colours:**

Blue	Above Target
Green	On Target
Amber	Just Below Target
Red	Significantly Below Target

"Target Minimum Percentage" = Expected grade based on prior data

Because you will be learning different things at different times this score may go up and down across the year. You can use your Progress Trackers to help you know where to target your revision for your End of Year exams.

The **BRAG** (Blue / Red / Amber / Green) on your Assessment data is a measure of how close you are to your target.

Blue = Above Target;  
Green = On Target;  
Amber = Just Below Target;  
Red = Significantly Below Target
