

Come to our (virtual) Get-Together Thursday 3 December 7.00pm – 8.00pm on Zoom PPF AGM and Planning Meeting

What is happening?

A friendly get-together for local parents and carers to celebrate the partnership between parents and carers and The Elmgreen School and to see how you'd like to develop it in future.

Why should I come?

You'll get to chat with local parents and carers of children of all ages about how best to raise money for the school and ways to support the school and each other. At the meeting we will also be electing 2 parent or carers to serve as governors on the school's Governing Body. (Details of how to apply appear elsewhere in School News)

What is the PPF?

The PPF is the parents' charity which originally set up the school, working in partnership with the staff and Lambeth. As the school's foundation body, the PPF ensures the school stays true to its founding ethos: that every local child deserves an excellent education and will achieve greater success and be happier if their parents/carers and the school, work together to support them. The PPF organises events to strengthen our community links, broaden students' horizons and raise money for the school. This is your chance to shape that future

To reserve your place and to receive further details about this event, please email your details to parentpromotersfoundation@gmail.com by Monday 30 November 2020

Parent Promoters Foundation

Families and school, working together to help local children succeed

Dear parents, carers, and friends of the school,

Annual General Meeting and charity plans

The school's charity, the Parent Promoters Foundation (PPF), is holding a virtual meeting on **Thursday 3 December 7.00pm - 8.00pm** to discuss the Charity's recent work and to plan ahead. Please come and share your suggestions about how to raise funds, spend funds, and how to support The Elmgreen School and each other.

To reserve your place and to receive further details about this, please email your details to parentpromotersfoundation@gmail.com **by Monday 30 November 2020**

The open discussion will be preceded by two short business items:

1. Charity accounts: The Charity will present its accounts for the previous financial year (April 2019-March 2020) for approval. Full accounts will be emailed to you on request
2. Foundation governor elections: The charity will elect two of its members to be appointed to the Governing Body.

Governor election

If you would like to stand for election as a Foundation Governor, please complete the nomination form [here](#) by Monday 30 November 2020

Currently the PPF is looking to appoint a Foundation Governor with an understanding of inequalities, particularly race, and the ability to ask relevant and informed questions in relation to the student experience, outcomes, and student progression. You will need an appropriate mix of skills, experience, common-sense and a commitment to inclusion. The time commitment is approximately five evening meetings a year and approximately three training sessions.

The National Governors Association has a useful description of the role of Governors here: <https://www.nga.org.uk/Governance-Recruitment/Be-a-school-governor-or-trustee.aspx>

If you'd like an informal chat about the role at Elmgreen and the work involved, please contact the Chair of the PPF, Victoria Wells, at the above address, and she will put you in touch with one of our current governors.

We look forward to seeing you all

Book your place by Monday 30 November at parentpromotersfoundation@gmail.com

Parent Promoters Foundation
Families and school, working together to help local children succeed

Everyone is welcome to attend the meeting. However, only registered members of the PPF can stand for election or vote at the AGM. If you are not a member you are very welcome to join. Please email parentpromotersfoundation@gmail.com stating your name and (if you are a parent/carer at the School) your child's year group. If you are a PPF member who cannot attend the AGM but would still like to vote, please email PPF and request a proxy form
